Trademark Registration : The Importance and Our Services

It takes years to build a brand name
It only takes one infringement to make the brand fall
Therefore, you should protect your brand from infringement.
Registrationwala can provide you with a streamlined access to this registration by assisting you in the following:

1. Trademark availability verification

2. Filing the complete trademark application.

3. Trademark uniqueness availability*

Documents Required

There are only two documents required for this registration:

1. Your Identity Proof

2. The form called TM-48

Simple Registration Steps : You will start, and we will complete

1. You will provide us the information sheet for your brand and your trade.
2. We will draft the application for trademark registration on your behalf.
3. After the complete application drafting, the application will be submitted to the Trademark Registry.

We will make sure that each and every service that we provide to you focuses upon efficiency, timely assistance and transparency.

Why Choose Registrationwala?

1. Transparent Pricing

3. Timely delivery

2. An exclusively expert team

4. Complete assistance.
